## A Note from Stephanie:

Hello All,

If you are anything like me, you must also be wondering how we have gotten into the latter half of February already! 2019 seems to be flying! I always think it funny that an hour can feel so long – depending on what you’re doing – but a week, month, or year can seem to pass so fast.

The key is to fill each of those moments with as many memories – good memories – as we can. And when we look back on the time that has passed, it will hopefully be filled with happy times spent with those we love and celebrations of all we have accomplished.

Riverhaven Books is very pleased to be working on several different projects at the moment – all will be revealed soon. However, I’d like to take this time to inform you of a couple of upcoming events that The Bridgewater TaleSpinners would like to invite you to:
